### "You Know, I Know"

Visit "[You Know, I Know](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hook:

You know like I know x 4

Iâ€™m just chasing all this money, get more,

And if you ask me what Iâ€™m really ready for

Boy you know like I know

You know like I know x 3

I want the fame and the money and the cars

You know it ainâ€™t nothing to repass â€™cause you know

Bottles of that Rose, sparkle as a Goddess,

Smoking in the... club, I canâ€™t get much higher,

Probably reach you girl I swear lately Iâ€™m on fire,

Do her is like higher when he wonder then retire Iâ€™m

Iâ€™m gone, Iâ€™m seeing much clearer,

Pay a perfect pitch only f\*ckin Mona Lisa,

Gâ€™ing with Rihanna with vaginas just like biemer

Expensive on the outside, but on the inside is much

cleaner

Hook:

Boy you know like I know x 4

Iâ€™m just chasing all this money, get more,

And if you ask me what Iâ€™m really ready for

Boy you know like I know

You know like I know x 3

I want the fame and the money and the cars

You know it ainâ€™t nothing to repass â€™cause you know

Just the bags of the... , just smoking on great daddy

Till hardly ever smoking, pimping grass Iâ€™m so teddy,

And laughter than the berry, afraid to dead cemetery

They told me I was chancing I say yeah kind of barely,

Got a chip on my shoulder unless I told her when they

told us

I was colder than the coldest, but they couldnâ€™t move

much closer

â€™cause my image was too timid, and I donâ€™t talk

about women,

All the money I was spending I guess Iâ€™m not with

pretended

No, no, no, no, Iâ€™m just keeping real for,

As if I was allergic to that something buy for me  
This game is what it... and I ain't dealing with this toys  
I'll be damn to keep you tryin to tell your ass what I  
want
