Verse one-

Its been the longest day  
And I can't wait to get home to you You take my stress  
away  
When I hear your voice on the phone You do  
And I got so much to tell you  
And we got the world to see  
Let's run away and live forever Today  
Today

Chorus-

When I walk up to the door  
When I walk up to the door  
I wanna see you  
Cus I love you even more  
Cus I love you even more  
Every time that I see you  
Yeah  
I wanna see you everyday every night When you're  
right by my side I'm alive  
Cus I love Cus I love Every time  
you even more you even more that I see you

Verse two-

I'm jumping on this plane  
I'm flying home to you  
To you  
I'll even take the train  
If that's what I gotta do  
I do  
Everything to keep you happy You're the only one for  
me Let's run away and live forever Today  
Today

Chorus-

When I walk up to the door When I walk up to the door I  
wanna see you  
Cus I love you even more Cus I love you even more  
Every time that I see you  
Yeah  
I wanna see you everyday every night When you're  
right by my side I'm alive Cus I love you even more  
Cus I love you even more

Every time that I see you
