It's just a cigarette & it cannot be that bad
Honey don't you love me and you know it makes me
sad?

It's just a cigarette like you always used to do
I was different then, I don't need them to be cool

It's just a cigarette and it harms your pretty lungs
Well it's only twice a week so there's not much of a
chance

It's just a cigarette it'll soon be only ten
Honey can't you trust me when I want to stop I can

It's just a cigarette and it's just a Malboro Light
Maybe but is it worth it if we fight?
It's just a cigarette that I got from Jamie-Lee
She's gonna get a smack and I'm gonna give you three

It's just a cigarette and I only did it once
it's only twice a week so there's not much of a chance
It's just a cigarette and I'm sorry that I did it
Honey can't you trust me when I want to stop I can
