It's just a cigarette & it cannot be that bad  
Honey don't you love me and you know it makes me sad?  
It's just a cigarette like you always used to do  
I was different then, I don't need them to be cool

It's just a cigarette and it harms your pretty lungs  
Well it's only twice a week so there's not much of a chance  
It's just a cigarette it'll soon be only ten  
Honey can't you trust me when I want to stop I can

It's just a cigarette and it's just a Malboro Light  
Maybe but is it worth it if we fight?  
It's just a cigarette that I got from Jamie-Lee  
She's gonna get a smack and I'm gonna give you three

It's just a cigarette and I only did it once  
(it's only twice a week so there's not much of a chance)  
It's just a cigarette and I'm sorry that I did it  
(Honey can't you trust me when I want to stop I can)
