

## Orange And Lemons "The Nerve"

Visit "[The Nerve](#)" on MotoLyrics.com

I do not have the nerve  
To take a chance on you  
I find it hard to tell you  
Cause it's hard for me  
To take this feeling of hopelessness

I live in a secret world  
Hoping to wake up  
When things get started  
And it's not too late  
To be strong

Time has no meaning  
My love will never end  
Time has no meaning  
But when can I make it work?

I've been here before  
Could I need you too much  
The impression you sell  
A thousand wild flowers' scent  
I fly too much  
(when can I make it work?)

Time has no meaning  
My love will never end  
Time has no meaning  
But when can I, when can I  
When can I make it work?

Oooooohhh oohhh  
Oohh oohh aaa  
Oohh aaa oohh aaaa  
Oohh aaa  
Oooohh

Time has no meaning  
My love will never end  
Time has no meaning  
When can I make it work?

Oh...

Time has no meaning  
My love will never end  
Time has no meaning  
But when can I, when can I  
When can I make it work?
