"These Things"

These things that I think about
Are senseless to think about
But I guess that's the way when you're in love
This pain that I feel about you is so strange
I can't be without you
But I guess that's the way it goes
I'm burning alive
With you on my mind
I'm taking my time
With suffer and crime
I'm burning alive
I love you
This wave takes me far away
But I can take you with me
To the obliviance of universe
Where the loudest scream must fade away
But I will cry out anyway
That I love you
Oh god I love you
I'm burning alive
With you on my mind
I'm taking my time
With suffer and crime
I'm burning alive
With you on my mind
I'm taking my time
With suffer and crime
I'm burning alive
I love you
