They say the one that laughs last laughs the hardest.

Been cheesing since I started

Hang em up and watch me knock down every target.

I got problems with my bank account

Cuz every morning I wake up its not the same amount.

Double while I'm makin rounds.

Singing in the clouds so all u hear is high notes.

Makin moves that all u simple suckas die for.

Guess I'm on my high horse.

Saddle up and ride more.

Pis on the plane like who the hell I'm getting fly for.

What u gotta lie for. A this my stomping ground.

U gotta have ya stripes just for u to come around.

Get it off my face card so most of y'all can't come around.

Addicted to the top

Like its no such thing as comin down

And I'd hate to say I told u so

Make u hatas mad some mo

Paparazzi takin pictures.

Everywhere I go I pose.

Suicidal open doors

Riding 20"s plus

I done seen the worst of worst

Now my directions only up.

I done heard alot of no's

Now they only tell me yes

I done heard it all b4

But I will grind for my respect

Early I flew out the nest

Now I walk in my gisepps

Overseas in private jets

princess cuts and Add biggets

Fame I ain't chasing

Ya game I ain't playin

I hear the jabber jabber

But what u really saying

Use u as motivation

I'm far from a bigginner

Surround myself with winners

Me stopping, how u figure?

K major verse: now I'm standing on the world ooh wee. Ask me if I'm staying ima say who me.

They try to bring me down. They say I'm waistin time. But I know ima go pyro. Burn it down. Call it mine. You know Ima winner. Get em left and right if I want her ima get her. Yea. I said ima get her. Take her down to fendi and buy everything that fit her. Yea. I see em looking down on me. Probably should put a crown on me. And I don't even care if they clown on me. Yea
