Verse I

I had a life deep in sin and my soul was heading for
destruction
The things I didn't want to do, those were the things I
did
But one day when I met Jesus everything changed
I'm no longer Saul but now Paul
So I'm here to let you know that Jesus saves
because the word says

There is therefore now no condemnation
To those who are in Christ Jesus
The old me is dead to sin and now I'm washed in His
blood

Chorus

It doesn't matter who you are
It doesn't matter what you've done
The greatest love you will ever know,
Is the love that overcame the cross and grave to save
your soul

Save you (yes He can)
Save you (save you)
He can save you
Save your soul

Verse II

We're living in a world where what we say and what we
do can defile us
So I believe everyday is a new day to rededicate our
lives to God
Knowing that no matter how far we've gone astray
God is always faithful to forgive when we confess with
our mouth and Believe in our heart that Jesus saves
