Sometimes,
It just don't make no sense at all.
I'm still trying to find a reason for it all.

My life, I thought, it would be something beautiful.
But now, it feels like there's nothing there at all,
anymore.

Give me the sunshine instead of the rain,
all that I want is to be happy again.
Give me the sunshine instead of the pain.
Give me the sunshine...

We got to let the love back in again.
Let, the love back in again.

We got to let, the love back in again,
Let, the love back in again.

Why, does it have to be so hard?
How, did you and me get where we are?
How, did you become invisible?
You might as well just not be there at all,
anymore.

Give us the sunshine instead of the rain,
all that we want is to be happy again.
Give us the sunshine instead of the pain
Give us the sunshine.

We got to let the love back in again.
Let, the love back in again.

We got to let, the love back in again,
Let, the love back in again.

Ohhhh (x2)

We got to let the love back in again.
Let, the love back in again.

We got to let, the love back in again,

Let, the love back in again.
