I'll be with you,  
I'll be with you through thick and thin.  
I'll be with you, my love. Oh.

I'll be with you,  
when your sick and tired of it.  
I'll be with you, and I won't go.

You know,  
You know.  
You know,  
You know.

I'll be with you,  
when your friends all slip away.  
I'll be with you, my love. Oh.

I'll be with you,  
when you think this is the end.  
I'll be with you, and I won't go.

You know,  
You know.  
You know,  
You know.

I'll be with you,  
when your faith is crumbling.  
I'll be with you, and I won't go.

I'll be with you  
In a place without name,  
I'll be with you, my love. Oh.
