Sailing right through the skies
We're gonna fly higher
In search of peace and freedom
A new quest waits for us
Adventures and glory
A new world to live in

Storming days full of darkness in our hearts
We need a better faith

Against time we are running to avoid
The end of human life
We'll search the Universe
A new empire we'll raise

Once again, a great journey we'll start
Ahead to the unknown

The universe is calling for us
Peaceful worlds are waiting
We'll sail to the Universe
A new empire we'll raise

Fearless sailors are riding to the sky
A new Eden they'll find

The end of darkness will be getting close
The sun will shine again
We'll rule the universe
A new empire we'll raise

"QuãŁo doce 3 o louvor e a justa gl3ria
Dos pr3prios feitos, quando s3o soados!
Qualquer nobre batalha que em mem3ria
Ven3sa ou iguale os grandes j3i passados;

AS enjevas da ilustre e alheia hist3ria
Fazem mil feitos sublimados
Quem valerosas obras exercita,
Louvor alheio muito o esperta e incita"
