~Translation~

Have you ever heard of the orange range?
Don't tell your mama or she'll think you're insane
All the pretty girls listen and pertain
Our music's best for highway speeding

Jump number one Tyson doing the Slam Dunk
This and that all barefooted HUG & KISS I love you
I'll master the yoga Mr. Masera hates curry
A Bull fighter that sucks Sanchez alright!

All around the world, see Looking up at the laughing
sky
Now get up stand up Oh yeah
All around the world, see They're changing They're

doing their best
Now get up stand up Oh yeah

Obsessed with the United Nations Even Bodi ma
Hathayasen
Peking duck Wire Action Chung Li running on a bike
My koteka carefully polishing up Mr. popo
Let's see what you've got JAPANESE PEOPLE

All around the world, see Looking up at the laughing
sky
Now get up stand up Oh yeah
All around the world, see They're changing They're
doing their best
Now get up stand up Oh yeah
