[Verse 1:]

I've been drifting for too long  
Wandering in the dark alone, and I'm empty  
Wanting to be filled  
I can't live this life without you  
I need to have more of you  
To live and breathe in me  
Restore my joy, make me happy  
Give me peace of mind and understanding  
That surpasses what I'm feeling  
I stretch my cup out

[Hook:]

I need more of you, yes I need more of you  
I need more of you, yes I need more of you

[Chorus:]

Everybody Whoah-oh-oh-oh Whoah-oh-oh-oh  
(Scream it loud) Woah-oh-oh-oh Whoah-oh-oh-oh  
(Say it with me) I need more  
I need more  
Everybody (hoah-oh-oh-oh Whoah-oh-oh-oh  
(Scream it loud) Woah-oh-oh-oh whoah-oh-oh-oh  
(Say it with me) I need more  
I need more of you

[Verse 2:]

I'm pleading with you now  
I need you to pour out on me  
Make me what I used to be  
I can't go on without you  
Now it's time I tell you  
I'd be lost without you, and I'll never let you go again  
(I'll never let you go again)

[Hook]

[Chorus]

[Bridge:]

I need more of you, I need more of you  
I need more of you, I need more of you

I'm pleading with you now  
I'm pleading with you

[Chorus]
