(Intro)

What do you want from me cause Iâ€™ve given you
everything

What do you need from me â€“ are you not happy with
anything?

(Verse)

Party like a rock star, hit â€™em with the hot bars

Fast like a NASCAR, lime like my dadâ€™s car

I deserve a Grammy, will I fly away

Or land on Miami? I donâ€™t have time to rhyme

But I do have time to grind

S.O.D. pirates, I donâ€™t need a hook

My lyrics illustrated verses taken from a book

I understand the fans, supply and demand

Crunk at command, fight and weâ€™ll stand

Lyrics from a true legend, livin life through Godâ€™s
blessing

Big papers, long acres, top flight, no security

Black ice on me, call the jury

Yahh trick yahh, and we call it magic

My style may change if you call it drastic

Money so long and we is the measure

I love my business and I love my pleasure

Live now, die later, internet genius

Self proclaimed he a critically acclaimed

For the fortune and fame, heâ€™ll run through the rain

For a million in change, takin over the game

18 years old with a drop top Phantom

Kidnap the world â€™til they pay my ransom

DeAndre Way, look whatâ€™s tatted on my face

Foâ€™ words to say â€“ I deserve a Grammy

(Chorus)

What do you want from me cause Iâ€™ve given you
everything

What do you need from me â€“ are you not happy with
anything?

Is it not good enough?

Am I not good enough?

Have I not gave enough?

Tell me what do you want from me

Tell me what you want

(Chorus)

What do you want from me cause Iâ€™ve given you
everything

What do you need from me Â– are you not happy with
anything?

Is it not good enough? Is it not good enough?

Am I not good enough? Am I not good enough?

Have I not gave enough?

What do you want from me?

Tell me what do you want from me
