It takes a long long time to find my piece,  
Iâ€™ll never tear it apart to see whatâ€™s inside  
It takes a long long time to see these  
pictures of myself on the photo

I donâ€™t feel safe,  
when Iâ€™m holding my memories  
only in my hands

so everyone can steal it

better keep my memories  
firmly in my head  
there is a safe

and I can deal it - into my heart

Iâ€™ve been long time free to disagree,  
I see that this was not the right way  
Cover me - then Iâ€™ll cover your  
face from facing this world

It could hurt you

Keep up with me, Iâ€™ll hope that we  
can realize our misbehavior  
Iâ€™ll never go deep into this place  
I will run so much as fast my feet can

run - maybe 1000 miles

-

i can not see other things  
just that everyone I love is changing  
donâ€™t have lot of friends, just a few  
we were a team, now we are little group

we are small number, but strong!
