Five years in the golden state,
Stayin' up and writin' way too late.

Everybody's always workin',
Their Mom and dad are always drivin them
everywhere,
Lookin' back at their life,
It really makes us be aware.

And,
Don't think they ever forgot,
they know way more then a lot,
These past years have gone so good,
Some of you may say they should.

Theyâ€™ve come so far from the past,
And they said theyâ€™d never last,
They just don't know how,

Look at them now!

Theyâ€™ve come so far from the past,
And they said theyâ€™d never last,
They just don't know how,

Look at them now!

Theyâ€™ve been on this long road,
Weâ€™ve been saying never stop,
All the pain and the heart ache,
Is what took them to this spot,

And,
Don't think they ever forgot
(Don't ya think?)
They know way more then a lot,
(Oh-oh)

These past years have gone so good,
some of you may say they should,

the way

Theyâ€™re going all the way,
Theyâ€™re going all the way,
Yeah they,
Yeah they,
Theyâ€™re going all the,

Theyâ€™ve come so far from the past,
And they said theyâ€™d never last,
They just don't know how,

Look at them now!

Theyâ€™ve come so far from the past,
And they said theyâ€™d never last,
They just don't know how,

Look at them now!

We,
We'll never forget,
That,

Theyâ€™ve changed our lives they better not give up,
(better not give up)

And if people try too,
Bring them down,
(Ooh)

No they won't stop them,
Theyâ€™re never givin' in,

Oohhhhhh

The way,
Theyâ€™re going all the way,
Theyâ€™re going all the way,

Look at them now!

Look at them now!

Theyâ€™ve come so far from the past,
And they said theyâ€™d never last,
They just don't know how,

Look at them now!

Theyâ€™ve come so far from the past,
And they said theyâ€™d never last,
They just don't know how,

Look at them now!

Uh-oh
Look at them now,

LOOK AT THEM NOW!
