Looking for the one tonight, but I can't see you  
cause I'm blinded by all the lights, oh  
and I can't ever get it right, I need a breakthrough  
why are you so hard to find

I've been searching every city never giving up  
till I find my angel diamond in the rough  
looking for a signal baby turn it up tonight

Come on get loud loud let it out, shout it out from the  
rooftops  
come on get loud till they shut us down  
come on get loud loud let it out, show me everything  
that you got  
come on get loud loud I need you now, baby let me  
hear it loud  
na na na na na na, na na na na na na, na na na na na  
na

Looking for the light to shine, start a fire  
and girl I'll be the first in line, oh and baby when  
the stars align,  
we can't get no higher, you just give me a sign

Come on get loud loud let it out, shout it out from the  
rooftops  
come on get loud till they shut us down  
come on get loud loud let it out, show me everything  
that you got  
come on get loud loud I need you now, baby let me  
hear it loud  
na na na na na na, na na na na na na, na na na na na  
na  
na na na na na na, na na na na na na, na na na na na  
na  
looking for the one tonight

Come on get loud loud let it out, shout it out from the  
rooftops  
come on get loud till they shut us down  
come on get loud loud let it out, show me everything

that you got  
come on get loud loud I need you now, baby let me  
hear it loud

Na na na na na na, na na na na na na, na na na na na  
na  
I've been looking for the one  
na na na na na na, na na na na na na, na na na na na  
na  
I've been looking for the one tonight  
na na na na na na, na na na na na na  
I've been looking for the one tonight
