I my mind is empty, my wallet is too.
I wonder what it takes to get me higher anymore?
I feel as if I've got the permanent flu.
When is this season gonna seal its angry door?
My fingers ache for what they cannot hold
my mouth is open, but my lips are frozen.
Sometimes I don't care if I'll make it or won't.
beyond this moment you're letting me go.

You say you're gonna leave me 'cause I'm too
ambitious -
I guess I was ambitious to believe in love?
You prayed for me to change in every way.
What were you waiting for - another girl to make you
sure?

Remember times when we'd lie on our backs.
Searching the ceiling for imaginary planets.
You always said I was a little naïve;
you always to seemed to have some reason not to
breathe.
You said I gave you what you needed to hold
your arms wide open when hope was frozen
But now I don't care if I'll make it won't
beyond this moment you're letting me go

You say you're gonna leave me 'cause I'm too
ambitious.
I guess I was ambitious to believe in love?
You prayed for me to change in every way...
What were you waiting for - another girl to make you
sure?

God knows the answers to all my stupid questions
and if I studied more maybe I'd have some too.
But I can't help but wonder what it is you're after
I hope you find your sky before it swallows you!

You say you're gonna leave me 'cause I'm too
ambitious.
I guess I was ambitious to believe in love?

You prayed for me to change in every wayâ€¦
What were you waiting for - another girl to make you
sure?
