History sits in a chair at the table listening to everything
I have to say
She doesn't know that I long to be able to follow danger
to go astray

And I am an actor she is the audience, I am a legend in
my own mind
Everything I can't say is irrelevant - Everything I don't
haveâ€¦ mine this time

History sits on a bench in the garden watching the
children picking the flowers
She doesn't that I long to be able to possess ancient
magical powers

And I am an actor she is the audience, I am a legend in
my own mind
Everything I can't say is irrelevant - Everything I don't
haveâ€¦ mine this time

There's a mouse that's trapped in the wall by the
kitchen and it
Keeps me up in the middle of the night and it's
Clawing its way to freedom - putting up a very
impressive fight

Oh to be a creature so smallâ€¦ oh to have the dignity
to know
There must be a way out of this if I just find the right
tunnel

Take me down to the fire-breathing waterbed
Tie me up with imaginary string and
Calm my nerves by pretending to be soothingâ€¦
soothing

History sits in a chair at the table listening to everything
I have to say
She doesn't know that I long to be able to follow danger
to go astray

And I am an actor she is the audience, I am a legend in
my own mind
Everything I can't say is irrelevant - Everything I don't
haveâ€¦ mine this time

This time it's gonna be different - I'm gonna start
telling you the truth
I'll give you my word asâ€¦ my word asâ€¦
I am an actor she is the audienceâ€¦ she is the
audienceâ€¦ she is the audience
