Somewhere in there you had time to fall in love
Somewhere in there you had time
And all I ever heard about was just how tough
It was for you to take time

So either you're a liar or true
Either I'm a violet or blue
Either you're a liar or true, my love
Either I can trust you or not
When you say I'm all that you've got
Either you're a liar or true, my love

Jealousy is such a useless paradigm
All it does is make you miserable
And I've been wasting too much time being unkind
To myself instead of cynical

'Cause either you're a liar or true
Either I'm a violet or blue
Either you're a liar or true, my love
Either I can trust you or not
When you say I'm all that you've got
Either you're a liar or true, my love

And I know it's gonna be mountains
And I know it's gonna be steep stairs
Lonely as a lower east side apartment
When you don't know your own neighbors
And I know it's gonna be valleys but nothing like
The slow descent to losing myself
Just because you've found someone else
Nothing helps in this hell

Either you're a liar or true
Either I'm a violet or blue
Either you're a liar or true, my love
Either I can trust you or not
When you say I'm all that you've got
Either you're a liar or true, my love

Baby can I trust you or not

When you say you swear it will stop
Either you're a liar or true, my love
