I'd go beyond our fighting borders  
If you needed that from me  
I'd march with decorated soldiers  
To get your pretty eyes to see

Well, I would bring your morning coffee  
Then I'd wrap you up in me  
I'd kiss your belly and your shoulders  
Cover blankets on our feet

So slow down  
There's some kind of blessing here  
But you have missed your cue

So keep your eyes set on the horizon  
On the line where blue meets blue  
And I would let that silver lining  
Where I know it'd find you soon

'Cause I have sailed a 1000 ships to you  
But my messages don't seem to make it through

Well, I would bring your morning coffee  
Then I'd wrap you up in me  
I'd kiss your belly and your shoulders  
Cover blankets on our feet

But slow down  
There's some sort of blessing here  
But you've gone and missed your cue

So keep your eyes set on the horizon  
On the line where blue meets blue  
And I would let that silver lining  
Where I know it'd find you soon

'Cause I have sailed a 1000 ships to you

But my messages don't seem to make it through

Well, money and fame they are a losing game  
And I know those pretty actresses  
Are calling your name  
But I'll be here waiting

So keep your eyes set on the horizon  
On the line where blue meets blue  
And I would let that silver lining  
Where I know it'd find you soon

Keep your eyes set on the horizon  
On the line where blue meets blue  
And I would let that silver lining in  
Where I know it'd find you soon

'Cause I have sailed a 1000 ships to you  
But my messages don't seem to make it through
