Got problems wanna get away
Take some vodka, mix it in your lemonade
Can't solve 'em all but it's okay
You gotta be your best friend everyday.
Got problems wanna get away
Take some vodka, mix it in your lemonade
Can't solve 'em all but it's okay
You gotta be your best friend everyday.
And everyday, and everyday, and everyday

When life gives you lemons put some vodka in your
lemonade,
Lemonade, lemonade.
I'll give you some sugar, put some sweetness in your
Lemonade, lemonade, lemonade.

Took a trip to the Valley, you don't seem happy with
yourself
Say your day's real crappy and bad shit's happening, I
say,
"What else?"
So you broke your nail today, money's low you'll be
okay
You don't gotta worry 'bout getting paid, oh everyday.

And everyday, and everyday, and everyday
When life gives you lemons put some vodka in your
lemonade,
Lemonade, lemonade.
I'll give you some sugar, put some sweetness in your
Lemonade, lemonade, lemonade.

Just got home from work
Strollin' on in with your feelings all hurt
Like "Why's this always happen to me?"
Well it's not cause you happen to be unlucky.
And trust me, don't be outraged
Life is like a movie and you're lookin like an outtake
You can still find beauty and de-stress.
Relax, and take a deep breathe.

When life gives you lemons put some vodka in your
lemonade,
Lemonade, lemonade.
I'll give you some sugar, put some sweetness in your
Lemonade, lemonade, lemonade.
