I'm so sorry, but I'm still on the road  
Cancel my flight, and I'm not coming home  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
Yo, just got one, we're gonna be apart  
Much more than the both of us  
Now all I see is with the middle warm feeling  
Nowhere me  
It's got me reaching for my iPhone  
Knowing I'm about to hear another dial tone  
Yeah and it's all my fault  
I keep ripping us apart, so I'm pouring out my heart  
like  
I'm so sorry, but I'm still on the road  
Cancel my flight, and I'm not coming home  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
I go to war just to see your face  
I move mountains if it mean I could get to your place  
These tickets back home are more expensive  
Now I'm more caught up in my consequences  
You say I'm missing plans, I'm missing dinner  
Well I'm missing every single thing about you  
Is all to have fun, so far from your familiar touch  
Tonight I need love but I ran all out of luck  
I'm so sorry, but I'm still on the road  
Cancel my flight, and I'm not coming home  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
I wanna kiss you girl waiting for  
I miss you girl so I wrote this song  
You know that I wish you were here  
It's been too long for me alone  
The world is getting old  
And I just wanna cuddle you  
I'm so sorry, but I'm still on the road

Cancel my flight, and I'm not coming home, I'm  
not coming home  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight  
No lovin' tonight, lovin' tonight, no lovin' tonight,  
lovin' tonight.
