You should get to know me instead of pushing me  
away  
'Cause I think I could show you something that would  
make you stay  
I got a killer in my set when I jump around killing my set  
And you gotta look away to keep from having sex with  
me  
I'll let you breathe but I bet believe to find a better  
location  
No time wasted, we're off the back door  
We're kissing in the rain and you got my mind racing

Now I could tell you one thing  
And I could tell you two  
When I'm flippin' through my little black book  
I keep comng back to you, coming back to you  
You feel amazing (you feel amazing)  
You feel amazing (you feel amazing)  
You feel amazing (you feel amazing)  
You feel amazing (you feel amazing)

La da da da da da  
La da da da da da

Sitting at the bar it's getting dark and I'm buried in my  
phone (my phone)  
I gotta little scrap of hope that I cang et you alone (get  
you alone)  
I wanna make you feel like you never ever felt before  
(felt before)  
And Imma kiss your neck down the back leave you  
loving that for sure  
Hey, hey, hey

Now I could tell you one thing  
And I could tell you two  
When I'm flippin' through my little black book  
I keep comng back to you, coming back to you  
You feel amazing (you feel amazing)  
You feel amazing (you feel amazing)  
You feel amazing (you feel amazing)

You feel amazing (you feel amazing)

La da da da da da

La da da da da da

You feel amazing (you feel amazing)

You feel amazing (you feel amazing)

You feel amazing (you feel amazing)

You feel amazing (you feel amazing)

La da da da da da

La da da da da da (x2)
