"Be Free"

I care about love, and how I feel
I care about dreams, I'm making them real
I care about you, I care about me
No, no worry, yes, I'm able to be free !

I live my life, day by day
I live it proudly in any way
I'm able to love, I'm able to dream
I'm able to make you, I guess I'm able to be free !

I'm able to be free ... x3

I care about love, and how I feel
I care about dreams, I'm making them real
I care about you, I care about me
No, no worry, yes, I'm able to be free !

I'm able to be free ... x3

I'm able to be free ... x3
Yes I'm able to be free!
