Thought I never fall in love again
Betchu out of perfect jam the man
And you play my kind of music man
So don't let the music end

Don't let don't let don't let don't let don't let
Don't let the music end

Been in love the DJ
Fell in love tonight
Hope this music a remake
Cause it sounds so right

I will think of better ways to say
But I feel that it's my song you'll play
And If you turn the music off, I'm sad
So don't let the music end

Don't let don't let don't let don't let don't let
Don't let the music end
