The memory of you..
Still in our zone
And our song is playing in my head on and on
My world's black and white, baby now that you're gone.

I'm smelling your perfume on the peeling extra mind
And I remember how you loved me every single night
The room is getting dark and the warm is up so tight
I'm falling asleep and I dream that you're mine

And I dream that you're mine
And I dream that you're mine
And I dream that you're mine
And I dream that you're mine
And I dream that you're mine

I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart

The memory of you..
Still in our zone
And our song is playing in my head on and on
The world's black and white, baby now that you're gone
I'm sad if you think I'll be forever

I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart

I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
I'm a lo-lo-lonely heart
