Can you feel my heart
Beating so fast every time
That I'm in your arms
I can touch the sky

Gime me a chance
I'll make it all right
Wake me up
Need to live my dream for life
Turn back time
You should always have in mind
That the days go by like the wind

Mestral (2)
(Can you fell the wind of love)

Can you feel my heart
Beating so fast every time
That I'm in your arms
I can touch the sky

Gime me a chance
I'll make it all right
Wake me up
Need to live my dream for life
Turn back time
You should always have in mind
That the days go by like the wind

Gime me a chance
I'll make it all right

Can you feel the wind
Sure you can my friend
No one can escape
The wind of love

Gime me a chance
I'll make it all right
Wake me up
Need to live my dream for life
Turn back time

You should always have in mind
That the days go by like the wind

Mestral (2)
(Can you feel the wind of love)

Can you feel the wind
Sure you can my friend
No one can escape
The wind of love

Give me a chance
I'll make it all right
Wake me up
Need to live my dream for life
Turn back time
You should always have in mind
That the days go by like the wind

Mestral
(Can you feel (2)
the wind of love)

Give me a chance
I'll make it all right
...
Turn back time
You should always have in mind

Can you feel my heart
Beating so fast every time
That I'm in your arms
I can touch the sky
