I feel, I feel my spirit in the jungle,
Creepin'™, scratchin' underneath the shadows.
But I know, I know I'm just a crooked old man,
Chasin' the spirit of a shadow that I once cast.

I fall on my knees they had me down pickin' my teeth.
But I'm back on my feet, there are no secrets, only
reflex.

How fast you gonna run run baby?
Fast as a leopard racin' to her prey.
How far you gonna take it until?
Until I've smashed every windmill, every windmill.

This town, this bar, this stage is like a dessert.
Zoom in, focus, snap another lost leopard.
But I know, I know I got a spot I can't change.
I'm doing what cats do best; they die again and again
and again.

I fall on my knees they had me down pickin' my teeth.
But I'm back on my feet, there are no secrets, only
reflex

How fast you gonna run run baby?
Fast as a leopard racin' to her prey.
How far you gonna take it until?
Until I've smashed every windmill, every windmill.
