My good man, its understood
You been doin'™ everything you want to
But never doing anything you should

I hope it breaks your heart
I hope it breaks your heart

My good man, your send of touch
Lay you hands onto her body
Man, I bet you wish you hadn'™ t seen so much

I hope it breaks your heart
I hope it breaks your heart

Because everybody knows
A broken heart is changin'™

My good friends, what will it take?
Why is it you think you want it?
Tell me, who is it that you will forsake?

I hope it breaks your heart
I hope it breaks your heart

Turn away, turn away, turn away, turn around
The days are gone, the nights are long
The world is gonna change you.
