(V1)

Will you still be there when we break like shadows?
Dancing on the walls of energetic rooms.
Twisted and secret and I'll still believe it.
You'll be there on time, like every other night.

(Chorus)

Please try and fade those words, say them in other
places

(x2)

(V2)

We'll always wonder why it is so different, it's not the
same, it's not the same.
There are some people who still want to see them, just
for some fun, just for some fun.

Please try and fade those words, say them in other
places (
x2)

(Middle 8)

Question why all these statues hold their own smiles,
they never have to talk to each other at night
