NO MORE
NO MORE.....

CHORUS :

dont call me no more

I DONT WANT YOU NO MORE

1ST VERSE (RICK)

who do you think you are
im the boss, your my dog
in my car, while you walk
im so done, so get lost
i hate it when you act like that
acting like i won't react
reminiscing how we was back in the past
you proly thinking imma take you back
fuck that!

PRE-CHORUS:

no more
it was all a game and you were the one to blame
no more
thinking you would change and you kept it all the same

CHORUS :

dont call me no more
dont text me no more
i won't catch you when you fall, at all
I DONT WANT YOU NO MORE (no more)
I DONT WANT YOU NO MORE (no more)
I DONT WANT YOU NO MORE

2ND VERSE (Drama)

ha
let me guess now, your missing (missing me)
playing hard to get, when you was really quick to beat
it was games when you was saying that shit to me

now its over, i told you that you'll regret to cheat

literally, your bitter sweat, get rid of me
out your mind, cause love is blind & you aint see
what i was proving, heart damaged & bruising
you never covered them all, she cheated & ended up
losing

PRE-CHORUS:

no more
it was all a game and you were the one to blame
no more
thinking you would change and you kept it all the same

CHORUS :

dont call me no more
dont text me no more
i won't catch you when you fall, at all
I DONT WANT YOU NO MORE (no more)
I DONT WANT YOU NO MORE (no more)
I DONT WANT YOU NO MORE

3RD VERSE (Raeliss)

What we had is no more
was better before
its over for love
there's no room for us
cause you lost all my trust
nothing to discuss
its all because of you
so im telling you please!

CHORUS :

dont call me no more
dont text me no more
i won't catch you when you fall, at all
I DONT WANT YOU NO MORE (no more)
I DONT WANT YOU NO MORE (no more)
I DONT WANT YOU NO MORE

OUTRO (Rick)
