Verse 1

Bright lights, stage freight
Use you, mind right
Stay up, all nightâ€™
Can't sleep, my life
Got time, for you
Hate me, love youâ€™
Hold me, smoke youâ€™
Problem, fuck you
I'm begging, film meâ€™
Trust you, don't kill meâ€™
Different feeling, itâ€™s you, not me
You take over meâ€™It's easy to see
Watch this, movie
Showtime, HD

Chorus

Just thinking imma hold it inâ€™And I don't wanna let
you go
You make everything better cuz you put everything on
hold
(So high)
Planes cars cash clothes chains gold
(So High)
Planes cars cash clothes chains gold

Said you get me so high, you get me so high 2x

Verse 2

Red Light, Intro

It took a minute it was hard to get it in-do
She read the look on my eyes, and they been low
Good night kisses fly out the window
Forgetting little things, but I canâ€™t forget her
Wanna bring you everywhere cuz you make everything
better
And sheâ€™s the one behind my hits like a catcher
I fetch her, searching for that feeling when I first met
her
Stormy weather, the clouds make me brainstorm
In the four walls of my school dorm
I tap out when I canâ€™t take more

So lifeâ€™s feeling like a beach but I ainâ€™t shore
I was told I feel this way before I showed it
She follow me on my trips when I be zonin
I let her in my head and she was gone before I knew it
Iâ€™m searching for the clip guess I blew it, screw it

Chorus

Just thinking imma hold it inâ€”And I don't wanna let
you go
You make everything better cuz you put everything on
hold
(So high)
Planes cars cash clothes chains gold
(So High)
Planes cars cash clothes chains gold
