[Verse 1]

Oh oh here I go
On my way to hit the club
Grab my bags I'm out the door
Ain't got no worries no more
Oh oh here I go
On the train I'm in my zone
Everybody like where he go
I can't wait to hit the floor

[Pre-Chorus]

It's tonight [X2]
Feels like I'm on top
It's tonight [X2]
The party's going on
It's tonight [X2]
I don't want it to stop
It's tonight [X5]

[Chorus]

Tonight I'm having a good time [X2]
No worries I'm gonna get mine
Tonight I'm having a good time
Now get your Hands Up
Oh oh get your Hands Up [X4]

[Verse 2]

Oh oh letting go
All my problems out the door
I'm not stressing it no more
Party party here we go
Oh oh there I go
Sneaking out up out the door
Everybody like where he go
I'm getting down on the floor
