Hey!
Oh, oh oh oh oh
Oh Oh
Oh, oh oh oh oh
Na do do do do
Oh, oh oh oh oh
Oh Oh
Oh, oh oh oh oh

Nothin gets better than
Havin all the treasure
Instruments to radios
iPods, stereo
You can sell whatever, like magical, sweaters
Even if it's old you can sell it
We will buy it

Oh, oh oh oh oh
Oh Oh
Oh (hey) oh oh oh oh
At the pawn shop
Oh, oh oh oh oh
Oh Oh
Oh, oh oh oh oh

Everything is better
Not goin home, not ever
Ear phones and diamond rings
Gold chains, silver reeds
It doesn't really matter, toys if you rather
Bring it down we'll pay it today, yeah

Oh, oh oh oh oh
Oh Oh
Oh, oh oh oh oh
[x2]

It's like a party at the pawn shop,
Just havin a good time
Look around you'll find everything you can describe
Gold chains, video games

Just bought my girl a diamond ring

Not goin home tonight
Everything here just feels ri-ight!

The apple of my eye
This store is like oh-my!
Those rows right there so hot
I'm rockin out

I'm so much better now
Blast these speakers up on loud
You lovin this pawn shop?
Everybody scream and shout!

Oh, oh oh oh oh
Oh Oh
Oh, oh oh oh oh
Nothin gets better than this!
[x4]
