I can see it in your eyes,  
We're all looking for a sign,  
To understand,  
To understand,  
Is there a plan?

We were living separate lives,  
With no room for compromise,  
Falling down again,  
See you Rise Again  
This is not the end, my friend

Cos when the music  
Is your only friend  
You might fall but you will Rise Again  
When there's music  
When there's music  
When there's music  
And a spirit'll always Rise Again  
I know this life is not the end  
I always knew it  
We never lose it  
Its how we use it

I can see it in your eyes,  
With no faith there is no life,  
Falling down Again  
I see you Rise Again  
This is not the end, my friend

Chorus

One day they'll be no pain  
One day they'll be no pain

Cos when the music is your only friend  
Cos when the music is your only friend  
Cos when the music is your only friend  
You might fall but you will Rise Again  
Cos when the music is you only friend  
You might fall but you will Rise Again  
Cos when there's music

When there's music  
When there's music  
When there's music

When there's music
