(Roy Orbison/Jeff Lynne/Tom Petty)

Working all day
And the sun don't shine
Trying to get by
And I'm just killin' time
I feel the rain
Fall the whole night through
Far away from you

California Blue

CHORUS

California Blue
Dreaming all alone
Nothing else to do
California Blue
Everyday I pray
I'll be on my way
Saving love for you
California Blue
One sunny day
I'll get back again
Somehow, someday
But I don't know when
California Blue
California Blue
Living my life
With you on my mind
Thinking of things
That I left far behind
It's been so long
Doing all I can do
To get back to you

California Blue

CHORUS

One sunny day
I'll get back again
Somehow, someday
But I don't know when
California Blue
California Blue
Still missing you
California Blue
Still missing you

California Blue
Still missing you
California Blue
