Come on baby, let me take you by the hand
Come on sugar, let me take you by the hand
You're for me, let me be, all your own
Candy, your candy, candy man

Come on baby, I love your honey loving ways
Baby, sweet thing, I love your honey loving
Your honey loving ways
Come to me, let me be, all your own
Candy, your candy, candy man

Come on woman, gonna treat you right
Give you candy kisses every single night

(Candy man, candy man)
Candy man
(Candy man, candy man)

You're for me, let me be, all your own
Candy, your candy, candy man

Yeah, candy, candy, candy
I've got sweet, sweet news for you
Yeah, candy, candy, candy
I've got sweet, sweet news for you
