It's a long and lonely highway  
When you're traveling all alone  
I was on my way to nowhere  
But now I'm coming home  
I'm coming home

I've been running through the fire  
I've been burning for so long  
If I took it any higher  
Baby, I would be still be gone

And now I'm coming home  
Coming home, I'm coming home

I'm coming home, coming home  
I'm coming home

Well, my home was really never  
On a far and distant shore  
If I stayed away forever  
I could never miss you more

And so I'm coming home  
Coming home, I'm coming home  
I'm coming home, coming home  
I'm coming home

I think of all the years gone by  
Never even wondered why  
I never touched the ground  
All the time that's come and gone  
All the nights I've spent alone  
And now I'm homeward bound

I heard the thunder over Canaan  
And I heard the angels cry  
And their voices came revealing  
As you live, so will you die

Oh, I'm coming home, coming home  
I'm coming home  
I'm coming home, coming home  
I'm coming home

I'm coming home  
I'm coming home  
I'm coming home
