I'm falling, I'm falling  
Falling in love with you

Baby, come closer, closer to me  
And listen, listen so carefully  
Remember all the nights that I told you I loved you  
It wasn't true, I used you  
And you were just someone new

To thrill this lonely heart of mine  
I was lying all the time  
Pretending to be falling in love with you

But it's different now, I've kissed you now  
So forgive me, forgive me somehow

Hold me tight for tonight, then tell me true  
If you still love me, say that you love me  
Don't leave me now  
Now that I'm falling for you

I'm falling, I'm falling  
Falling in love  
Falling in love with you
