"In Dreams" by Roy Orbison

A candy-colored clown they call the sandman  
Tiptoes to my room every night  
Just to sprinkle stardust and to whisper:  
"Go to sleep, everything is alright"

I close my eyes  
Then I drift away  
Into the magic night  
I softly sway  
Oh smile and pray  
Like dreamers do  
Then I fall asleep  
To dream my dreams of you

In dreams...I walk with you  
In dreams...I talk to you  
In dreams...Your mine  
All of the time  
We're together  
In dreams...In dreams

But just before the dawn  
I awake and find you gone  
I can't help it...I can't help it  
If I cry  
I remember  
That you said goodbye  
To end all these things  
And I'll be happy in my dreams  
Only in dreams  
In beautiful dreams
