Hmm, well, I got a woman mean as she can be
Well, I got a woman mean as she can be
Some-a-times I think she's almost mean as me

She gotta ruby lips, she got shapely hips, yeah
Boy she makes ole Roy flip
I got a woman mean as she can be
Some-a-times I think she's almost mean to me

Well, I ain't bragging, it's understood
Everything I do, well I sure do it good
Yeah, I got a woman mean as she can be
Some-a-times I think she's almost mean to me
Well

She gotta ruby lips, she got shapely hips, yeah
Boy she makes ole Roy flip
I got a woman mean as she can be
Some-a-times I think she's almost mean to me
Easy now

Ah-huh-huh-huh

Now let's go one time

Well, I got a woman (sha la la la)
Yeah, I got a woman (mean, mean, sha la la la)
Yeah, I got a woman (sha la la la)
Well, I got a woman (mean, mean, sha la la la)
Some-a-times I think she's almost mean to me
(I got a woman, sha la la la)
(Mean, mean, sha la la la)
