Darkness falls and she will take me by the hand  
Take me to some twilight land  
Where all but love is grey  
Where I can't find my way  
Without her as my guide

Night falls I'm cast beneath her spell  
Daylight comes our heaven turned to hell  
Am I left to burn and burn eternally  
She's a mystery to me  
She's a mystery girl  
She's a mystery girl

In the night of love words tangled in her hair  
Words soon to disappear  
A love so sharp it cut  
Like a switchblade to my heart  
Words tearing me apart  
She tears again my bleeding heart  
I want to run she's pulling me apart  
Fallen angel cry then I just melt away  
She's a mystery to me  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl  
She's a mystery girl

Haunted by her side  
It's the darkness in her eyes  
That so intrigues me  
But if my love is blind  
Then I don't want to see  
She's a mystery to me

Night falls I'm cast beneath her spell  
Daylight comes our heaven turned to hell  
Am I left to burn and burn eternally  
She's a mystery to me

She's a mystery girl  
She's a mystery girl  
She's a mystery girl

She's a mystery girl  
She's a mystery girl  
She's a mystery girl
