(Uptown, uptown)  
Uptown (uptown) in penhouse number three  
(Uptown, uptown)  
Uptown (doo-doo-wop) there lives a doll just made for  
me  
(Doo-doo-wop, doo-doo-wop)  
She's the finest thing that you've ever seen, oh, ho, ha  
(Oh, ho, ha, oh, ho, ha)

Uptown, I see her most every day  
Uptown, but she never, ever looks my way  
I'm just a bellhop, you see I can't stop  
And tell her what I wanna say

That one of these days, I'm gonna have money  
She'll wanna be my ever-loving, honey  
It won't be long, just a wait and see  
I'll have a big car, fine clothes and then I'll be  
Uptown, in penthouse number three  
Uptown, just my baby and me

(Doo-doo-wop, doo-doo-doo-wop)  
Yeah, one of these days, I'm gonna have money  
She'll wanna be my ever-lovin' honey  
It won't be long, just wait and see  
I'll have a big car, fine clothes and then I'll be

Uptown (uptown) in penhouse number three  
Uptown (uptown) just my baby and me  
(Uptown, uptown)  
(Uptown, uptown)  
(Uptown, uptown)
