Wanasema ati mi, sikufai kamwe  
Wanasema ati mi, nitakuacha pweke  
Wanasema ati mi, sikufai mimi  
Baby kufa kupona  
Baby kufa kupona  
Hali na mali ni lazima  
Tuwe pamoja milele

Bridge

Baby , nishakuambia  
Ni lazima tuwe pamoja milele  
Hata wakisema nini  
Hata wakisema nini  
Hata wakisema nini  
Heeey!

Hook

Twende,  
Twende baby twende \*6  
Twende baby,  
Twende twende twende.

Lets go, twende uh  
They keep complaining  
They keep on hating  
Kila siku same old, same old story  
Yeah uh  
Lets go, twende uh  
Don't know them Uh  
We can ignore them  
And go on with the love  
And they'll have  
To learn to mind they business  
Uh to mind they business

Bridge

Baby , nishakuambia  
Ni lazima tuwe pamoja milele

Hata wakisema nini  
Hata wakisema nini  
Hata wakisema nini  
Heeey!

Hook

Twende,  
Twende baby twende \*6  
Twende baby,  
Twende twende twende

Verse 3

Yo yo  
You got my love in first class basis  
And you know me its not just basic  
I don't care about them lames with them different  
faces  
Get em and i put em in the past we in different tenses  
My love senses,  
Got me thinking about you and all my blessings  
Where them at?  
Cant even face us they on the net  
Talking about shit i don't care about em all  
Uh, Furthermore,  
Tryna put me off with the stuff that Im on  
I don't front, put em in the back  
They on my joystick  
You know the boy bae , the boy sick  
Mh  
I brag but ummm, just kidding  
Look how the lames tryna fit in  
And I'm feeling  
This track is tryna make a killing  
And I'm racing hearts like a relay  
So FOH you haters

Bridge

Baby , nishakuambia  
Ni lazima tuwe pamoja milele  
Hata wakisema nini  
Hata wakisema nini  
Hata wakisema nini  
Heeey!

Hook
