It's so crazy  
This whole thing  
Every word we've spoke, but you make it hard to speak.  
It's so amazing  
This whole thing  
I try to catch my breath, but you make it hard to breath.  
And i cant lie girl  
I'm falling hard  
With all the funny little things you do  
You stole my heart  
Yeah baby  
Here's a sappy love song  
But for you I'd sing this song forever  
Cause with you is were I belong

You make me wanna scream at the top of my lungs  
You make me shake, make me crazy, make my body  
numb  
But I'm loving every second  
Please dont let me wreck it  
I can't stand and leave you alone  
Girl Iâ€™m freaking out thinking that somethingâ€™s  
wrong  
Cause you're perfect i'm not worth it  
I â€™ve been waiting so long for someone like you,  
Someone like you yeah

I love the way you smile  
And the taste of your lips  
I can kiss your lips forever cause there ainâ€™t no  
better feeling than this  
And i know this all has been so fast  
But i swear I'll show you every single day that we can  
make this last

You make me wanna scream at the top of my lungs  
You make me shake, make me crazy, make my body  
numb  
But I'm loving every second  
Please dont let me wreck it  
I can't stand and leave you alone  
Girl Iâ€™m freaking out thinking that somethingâ€™s

wrong  
Cause you're perfect i'm not worth it  
I â€™ve been waiting so long for someone like you,  
Someone like you yeah

And its funny just to think that I hardly knew you a  
month ago  
But I swear I'll do everything i can to let you know  
You're all think about I never want you to leave  
Girl I want you to be my everything  
Donâ€™t let me go

You make me wanna scream at the top of my lungs  
You make me shake, make me crazy, make my body  
numb  
But I'm loving every second  
Please dont let me wreck it  
I can't stand and leave you alone  
Girl Iâ€™m freaking out thinking that somethingâ€™s  
wrong  
Cause you're perfect i'm not worth it  
I â€™ve been waiting so long for someone like you,  
Someone like you yeah
