### Intro

In everyone's life storms fall  
Lessons to be learned, sometimes you feel alone  
But in that moment when you're sure  
That you can't take it anymore  
I'm sure you can  
Look up, look up, look up  
Never Ever Give up

### 1st Verse

There are days when you feel that you can't take it no  
make it no  
You feel like all hope is gone for you, you baby  
But you just need to step up one stair at a time  
Keep it pushin move on to the light  
There's a miracle on the other side for you, you baby

### Chorus

Yes you can, make it if you try  
There's always a reason to fight  
Never Ever Give Up, Never Ever Give Up  
Love will shatter the darkness away  
Give you strength to go another day  
Never Ever Give up, Never Ever Give up

### 2nd Verse

There are days when the journey seems unfair  
You carry your broken heart everywhere  
When others don't know it you're just about to give in  
But you just need to step up one stair at a time  
Keep it pushin move on to the light  
There's a miracle on the other side for you, you  
baby

### Chorus

### Bridge

One step at a time you can make it if you try  
Just keep climbing your mountain  
The sun will shine again, shine again for you  
Never Ever Give Up

Chorus

Outro

Don't give up  
There's always a way  
Just be strong yeah, say  
Never Ever Give up
