Shorty whats happening'? you don't even know me

But notice me swagging an I dont like bragging

They say I'm crazy I say I'm swayzee

Flyer than a maverick all around the world on a big hit  
tour

Traveling the atlas just bought a palace

Temperpedic mattress everybody sayin that they love  
RaKalid

Better than the average wait till' we cash-in

Feeling the passion? Let me be your pencil so

That I can fill in all your answers

Here's our song I love what you do

I like how you act I'll be your Boo

Ride in together you an I like diamonds

We shining forever. You beautiful intelligent

I'll swoop you like a pelican Alyoop

Your elegance you make me want to be a

Better man with a better plan

Baby you my medicine

Living on the ocean Or anywhere that you pick  
You might want to note this hold you when ya so sick
