Hey hey baby  
I'm falling slowly only you can save me  
Hey hey baby  
Don't think about it let's do something crazy  
So won't you come with me?  
Come take a walk with me  
I'll make your heart believe  
Never to let me go  
Then won't you come with me?  
Just take my hand you'll see  
I promise to take it slow

This is our party  
Nobody has to know  
So just move your body  
Shake it and feel the flow  
This is our party  
Nobody has to know  
Just me and you  
Just me and you  
All I ever wanted  
Like it could that dream come true  
Tonight this is our party  
It's only me and you

Hey hey baby  
My head is spinning you've got me so crazy  
Hay hey baby  
I wanna be your boyfriend will you be my lady  
So won't you come with me?  
Come take a walk with me  
I'll make your heart believe  
Never to let me go  
Yeah won't you come with me?  
Just take my hand you'll see  
I promise to take it slow

This is our party  
Nobody has to know  
So just move your body  
Shake it and feel the flow  
This is our party

Nobody has to know  
Just me and you  
Just me and you  
All I ever wanted  
Like it could that dream come true  
Tonight this is our party  
It's only me and you

Hey hey baby  
Hey hey baby  
Hey hey baby  
I wanna be your boyfriend  
Will you be my lady

This is our party  
Nobody has to know  
So just move your body  
Shake it and feel the flow  
This is our party  
Nobody has to know  
Just me and you  
Just me and you  
All I ever wanted  
Like it could that dream come true  
Tonight this is our party  
It's only me and you

Hey hey baby

Hey hey baby  
Just me and you
