"Guiding Light"

Pure hearts stumble,
In my hands they crumble.
Fragile and stripped to the core
I can't hurt you anymore.

Loved by numbers,
You're losing life's wonder.
Touched like strangers detached
I can't feel you anymore.

The sunshine trapped in our hearts
It could rise again.
But I'm lost, crushed, cold and confused
With no guiding light left inside.
Ooo, you were guiding light.

Oh, when comfort and warmth can't be found
I still reach for you.
I'm lost, crushed, cold and confused
With no guiding light left inside.

You were my guiding light.
You were my guiding light.
When there's no guiding light left inside.
When there's no guiding light in our lives.
